RE: ML 44911-BSLS, Reclamation of Mined Lands
Continental Casualty Co. Surety Bond No. 900633228, Amended to 900633288

Dear Mr. Bown,

On September 26, 2000, the Division of Oil, Gas & Mining (DOGM) notified you of certain reclamation requirements with respect to the lands mined under trust lands mineral lease ML 44911-BSLS. The Trust Lands Administration concurs with the Division of Oil, Gas & Mining.

Failure of Lessee to complete the reclamation work referenced in DOGM's September 26, 2000, notice not later than October 31, 2000, shall be a breach in the terms and conditions of mineral lease ML 44911-BSLS including Article III, Article XII, Article XIII and Article XVI. Such breach of the terms and conditions of mineral lease ML 44911-BSLS shall subject Lessee's Surety Bond No. 900633288 to forfeiture.

Please contact me if you have any questions in this matter.

Sincerely,

John T. Blake
Mineral Resources Specialist
